INSPECTION PAPERWORK

First-article inspection report and certificate of conformance: ordered. The first piece of each part number is measured against your drawing and the report ships with the parts, with a signed certificate of conformance listing material and lot.

TERMS

Prices are in US dollars and hold for 30 days from the date above. This quote covers the files, materials and quantities listed; a change to any of them is re-quoted. To order or ask a question: quotes@straightedgemfg.com or 224-213-6727.
