JOB TRAVELER

Order: 7b1d4f22

Printed: 11/11/2026 Payment: Paid by card

INSPECTION PAPERWORK ORDERED: FIRST-ARTICLE REPORT + CERTIFICATE OF CONFORMANCE

The customer bought both ($60.00). Measure the first piece of each part number against the drawing and write the first-article report; fill in and sign the certificate of conformance with material and lot. Both ship in the box with the parts.

RETURN THE CUSTOMER'S ORIGINAL PART WITH THIS ORDER

The customer sent in a part to be measured and asked for it back. It goes in the box with the finished parts; the price already covers the return shipping. Do not scrap it, and do not ship without it.
